

## About Lions...

Since 1917, Lions clubs have offered men & women the opportunity to join together to give something back to their communities.

Our members engage in projects like cleaning local area parks or as far-reaching as bringing sight to the world's blind. Lions clubs are committed to building a brighter future for their communities.

As of 2021 Lions Clubs International has 1.4 million members in 47,000 clubs in over 200 countries.

## About Our Club...

The Tucson Breakfast Lions Club (TBLC), one of 9 Lions Clubs in the greater Tucson area, was chartered in 1957.

Currently we have more than 50 members—working and retired, men and women, who enjoy the spirit of volunteering and giving back to the community by sharing their time and energy.

Our motto is “WE SERVE”.

## How We Serve...

**Our Primary Mission** is to help with Sight & Hearing needs. We collect used eyeglasses and hearing aids and distribute them to the less fortunate. We provide eye examinations, new eyeglasses and eye surgery to needy Pima County residents.

We are also proud to have helped establish the AZ Lions Eye Clinic at the University of Arizona.

## Partner Projects...

In December, our busy members produce and deliver Christmas gift baskets to elderly shut-ins, with the Pima Council on Aging.

TBLC members foster Lions youth groups. We have launched seven Leo's Clubs; youths, ages 11-21, serving the community.

TBLC Foundation— a 501(c)3 IRS non-profit, approved for grants and charitable donations.

Annually TBLC, with other Lions Clubs, screen more than 30,000 children, K-3, for visual acuity and provide eyeglasses to those in need.

## Our Fundraisers...

### For Our Benevolent Fund

At the Winter & Spring 4th Ave Street Fairs, we staff a concession stand - where 100% of the funds we raise from the public go directly to community sight & hearing charities.

On May 1, 2022 we will host our 17th annual “Drive ‘Fore’ Sight” golf tournament, at 49ers golf country club. The event funds two special needs summer camps;
